

# our environmental policy

We are committed to providing the highest standards of service to our clients in a way that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment.

We will operate in compliance with all relevant environmental legislation and strive to use environmental best practices in all we do.

## we will:

- consider environmental concerns and impacts as part of all of our decision making and activities
- promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner
- train, educate and inform our employees about environmental issues that may affect their work
- reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furnished products and materials where these alternatives are available, economical and suitable
- promote efficient use of materials and resources throughout our working environment including water, electricity, raw materials and other resources, particularly those that are non-renewable
- purchase and use environmentally responsible products where possible and economically viable
- communicate our environmental commitment to our clients and encourage them to support it
- strive to continually improve our environmental performance and minimise the social impact and damage of our activities by periodically reviewing our environmental policy in light of our current and planned future activities
